A professional office may be maintained only incidental to a residential use and shall be utilized by a person residing on the premises.

(ii) A commercial or industrial use in continuous and unchanged operation since September 11, 1964 is permitted. Any change in use of a commercial or industrial use since September 11, 1964 including construction, expansion, or conversion of an existing structure or a change in type, mode or manner of operation constitutes a new commercial or industrial use and may be permitted subject to the approval of the local zoning authority and review by the Superintendent.

(iii) A commercial or industrial use initiated after September 11, 1964 constitutes a new commercial or industrial use and may be permitted with the approval of the local zoning authority and review by the Superintendent. Any change in use of a commercial or industrial use approved by a local zoning authority after September 11, 1964, including construction, expansion, or conversion of an existing structure, or a change in type, location, mode or manner of operation, shall constitute a new commercial or industrial use and may be permitted with approval of the local zoning authority and review by the Superintendent.

(iv) The rezoning of an area zoned residential to commercial or industrial without review by the Secretary is prohibited.

(b) *The Seashore District*—(1) *Permitted uses.* (i) The alteration, expansion, movement, and maintenance of privately-held “improved property” used as a single-family home or as an accessory structure is permitted. Reconstruction is permitted in accordance with § 28.11.

(2) *Prohibited uses.* Construction, development or expansion of any property other than “improved property” is prohibited. The provisions of paragraph (a)(2) of this section apply to all privately-held property in the Seashore District.

(c) *The Dune District*—(1) *Permitted uses.* (i) A community vehicular and private or community pedestrian dune crossing approved by the zoning authority and reviewed by the Superintendent as necessary for access to areas behind the dune. Such dune protection measures as snow fencing, poles, beach nourishment, dune grass planting, or other scientifically sanctioned biological or ecological sand enhancing or stabilization methods are allowable.

(ii) Residential use and maintenance of an existing structure or reconstruction in accordance with § 28.11 is allowable.

(2) *Prohibited uses.* (i) Any development subsequent to November 10, 1978 including construction of a new structure or expansion of an existing structure, such as a building, bulkhead, pile,

(d) General recreation, environmental and historic preservation and education, and natural resource protection uses and facilities consistent with the uses and facilities appropriate for each zone as set forth in the General Management Plan and Final Environmental Impact Statement are permitted on publicly-held property.

§ 28.11 Nonconforming uses.

(a) Any use or structure lawfully existing under local law as of October 17, 1984 and rendered nonconforming by adoption of the federal standards may continue, subject to the provisions of this section, and will not lose its exemption from condemnation, if otherwise eligible.

(b) *Change in nonconforming uses.* (1) No nonconforming development or use may be altered, intensified, enlarged, extended, or moved except to bring the use or structure into conformity with the approved local zoning ordinance.

It may not be altered, enlarged, intensified, extended, or moved except to bring the use or structure into conformity with the approved local zoning ordinance.

(5) A nonconforming use in the Dune District may be reconstructed if it can conform to the approved local zoning ordinance and lie north of the crest of the dune at the time of reconstruction.
